

Worden Folio Collection

Two Bar with Insert
 Finish: deGilde Light Cherry
 Metal: Sparkle Silver
 Insert: Printed Wheatstalk

Flexible design.

The starting point is simple, but the possibilities are endless. Begin with Folio's two or three bar table style. Then, if you wish, add a mark of your own with a contrasting material like metal or acrylic, or personalize with a monogram or other graphic design. Folio is that flexible. Pricing for the tables is graded according to the options you choose.

Three Bar Table
 Finish: deGilde Light Cherry
 Metal: Sparkle Silver

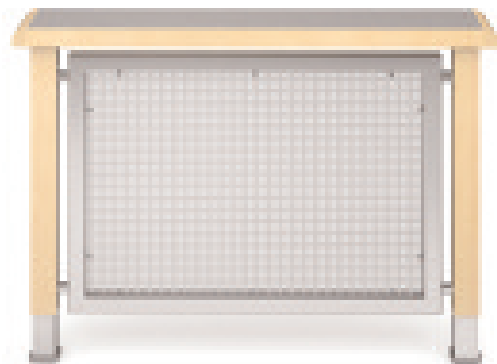

Two Bar with Insert
 Finish: deGilde Light Cherry
 Metal: Sparkle Silver
 Insert: Custom Printed Monogram
 on Single Plaque

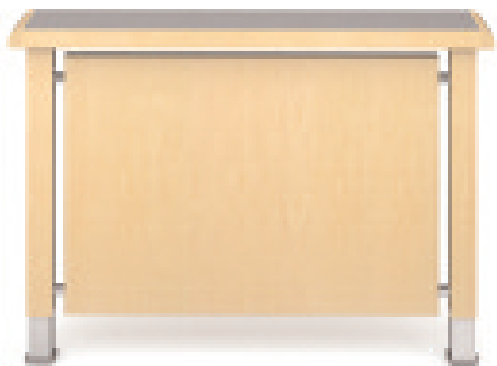

Two Bar with Insert
 Finish: deGilde Light Cherry
 Metal: Sparkle Silver
 Insert: Chemetal Windows 101

Power and possibility.

Folio's floating-frame and floating-panel table options round out the collection. As with the two and three bar styles, there are plenty of ways to customize the look. No matter which aesthetic you decide on, all seamlessly accommodate imbedded power and data, integrated lighting, and wire management, as needed. There's no need to choose between a stunning look and practical features. With Folio you get both.

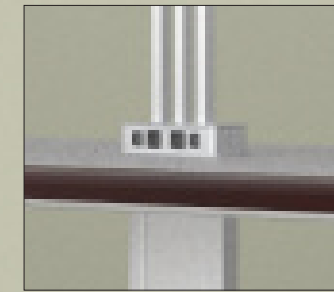

Floating Metal Frame with Insert
Finish: Clear on Maple
Metal: Sparkle Silver
Insert: Chemetal Windows 101

Floating Wood Panel
Finish: Clear on Maple
Metal: Sparkle Silver
Panel: Maple Veneer

Floating Metal Frame with Insert

Panel: Olive Burl Veneer

Power/Data Center with optional
vertical wire manager trestle

Double Faced Carrel Rack

Finish: Mahogany on Maple Metal: Sparkle Silver
Available in 36", 42" and 48" heights

Your needs set the standard.

Folio offers a broad range of sizes and configurations to let you create workspaces that encourage quiet, individual study. Add one of our three carrel styles to any table you've created.

Single Faced Carrel Rack

Finish: Clear on Maple, Metal: Sparkle Silver
Available in 36", 42" and 48" heights

Center Divider Carrel

Finish: Light Cherry on Maple, Metal: Sparkle Silver
Available in 39" height

Individual and functional.

Shelving end panels enunciate your look and tie the space together. Frame one species of wood with another, pair metal with rich wood, or throw in an unexpected material, like patterned resin. OPAC units match the look and increase functionality.

Three Bar and Floating End Panels

Finish: Mahogany on Maple
Metal: Sparkle Silver

Wood Frame End Panels

Finish: Mahogany on Maple
Insert Left: Clear on Maple
Insert Right: 3Form Tiger Thatch

Three Bar End Panel with
OPAC Cabinet
